

DISTRICT COUNCIL OF LOWER EYRE PENINSULA

Horses on Residential Allotments Policy

“Working with our Rural & Coastal Communities”

	ANI-POL-02 – HORSES ON RESIDENTIAL ALLOTMENTS	Version No:	1.0
		Issued:	November 2015
		Next Review:	November 2019

No person shall, without Council permission, keep horses in urban areas zoned Residential, Settlement, Coastal (Settlement), Coastal (Coffin Bay) and Town Centre in the area, of which he / she is the owner or occupier; and

That the following conditions (if appropriate) be applied to any approval to keep horses:-

- Horse stables or shelters be well constructed, adequately ventilated and maintained in a clean tidy condition;
- Individual stalls shall be a minimum size of 4.3 metres by 4.3 metres;
- The floor to be constructed above ground level, of a suitable impervious material and be well drained;
- Measures should be taken to prevent nuisance and or health hazards such as undue noise, odour, flies, vermin and or dust;
- Manure containers must be provided on the premises where horses are stabled, such containers to be of an appropriate size and fitted with a suitable lid which is to be kept closed when not in use;
- Manure must be collected daily and stored in the containers provided, which must be emptied at least once per week;
- Food containers must be provided on the premises where horses are stabled, such containers to be of an appropriate size, and fitted with a suitable rodent and vermin proof lid, which is to be kept closed when not in use;
- Council has the right to withdraw the approval, for failure to comply with any applicable conditions or for any other reason.
