This will ensure that the needs and expectations of both the petitioner(s) and the wider community are considered.

Further to the above, as outlined in Council's Code of Practice for meeting procedures if a petition is received prior to 5pm the Monday proceeding the Council meeting, the Chief Executive Officer must ensure that the petition, or a statement as to the nature of the petition and the number of signatures is placed on the agenda for the next ordinary meeting of Council.

As petitions are a public document the signatures and addresses of petitioners will be publically available and a notation to this affect has been included at the bottom of the pro-forma.

Should the issues raised in the petition require further investigation; the petition will be formally considered at the first meeting of Council following the preparation of an officer report providing further detail.
