1. OVERVIEW

The District Council of Lower Eyre Peninsula is committed to achieving a high level of pro-active Work Health and Safety (WHS) management in line with the organisational purpose of to proactively protect and manage Local Governments' employee injury risks today and into the future.

Council is committed to providing a WHS Management system that:

- Promotes and facilitates pro-active identification of hazardous work;
- Provides mechanisms to ensure risks arising from the work are eliminated in so far as is reasonably practicable or, where that is not practicable, controlled as far as is reasonably practicable.
- Enables the above steps to be achieved before work is undertaken, to ensure, so far as is reasonably practicable, the safety of workers and others and legislative requirements.

	WHS-POL-07 – HAZARDOUS WORK POLICY	Version No: 4.0
		Issued: March 2019
		Next Review: Sep 2021

2. POLICY

2.1 To meet this commitment, Council has implemented a hazardous work system that consists of this policy and a number of specific procedures such as;

- Confined Space Procedure.
- Electrical Safety Procedure.
- Hot Work Procedure.
- Excavation and Trenching Procedure.
- Hazardous Manual Tasks Procedure.
- Prevention of Falls Procedure.
- Work Zone Traffic Management Procedure.
- Remote/Isolated Work Procedure.

- Hazardous Chemicals Procedure.
- Isolation Lock out Procedure
- Asbestos WHS Procedure
- UV and Inclement Weather Procedure

2.2 Council will regularly review in consultation with affected workers (and their representatives), subject area experts and other duty holders (as necessary):

- The effectiveness of this policy and supporting procedures to identify opportunities for continuous improvement.
- Adherence to this policy and the supporting procedures and take appropriate action where non-compliances are found.

3. RESPONSIBILITIES

3.1 Executive Management Team

- Are accountable for checking that adequate resources are identified and provided to enact this policy and supporting procedures effectively.

3.2 Supervisors/Managers

- Are accountable for fulfilling the due diligence obligations for officers as outlined in Section 27 of the WHS Act 2012, a key aspect of which includes checking that adequate resources are identified and provided to enact this policy and supporting procedures effectively.
- Monitoring through their supervisory activities that the policies and procedures are adhered to. Checking that workers in their area have had appropriate training to undertake the activities identified within this policy and supporting procedures.

WHS-POL-07 – HAZARDOUS WORK POLICY

Version No:	4.0
Issued:	March 2019
Next Review:	Sep 2021

3.3 Workers

- Are accountable for adhering to the requirements of this policy;
- Cooperating with procedures, or reporting any inability to do so to management at the earliest opportunity.

4. RECORDS

Records relating to hazardous work are required to be kept in accordance with all supporting procedures.

5. REVIEW

The WHS Hazardous Work Policy will be reviewed by the District Council of Lower Eyre Peninsula WHS Committee at minimum within three (3) years of Issued Date (or on significant change to legislation or aspects included in this policy that could affect the Health and Safety of workers).

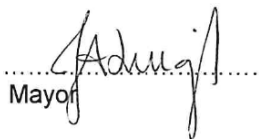

The review may include or be initiated by:

- Feedback from managers, workers, HSRs or other stakeholders;
- Legislative compliance;
- Performance Standards for Self Insurers
- Internal or external audit findings
- Incident and hazard reports, claims costs and trends related to hazardous work; and
- Other relevant information.
