(8) Coffin Bay Progress Association – Request for donation

Late correspondence received from the Coffin Bay Progress Association requesting a donation of \$2,500 for the removal of a pump shed containing asbestos on the site of the Coffin Bay Hall.

An application was lodged for \$1,739 for this project under Council's Community Capital Support Grant applications, however Council determined it did not meet the grant funding criteria and as requested by Council, staff invited the Association to apply for a donation.

A donation of \$2,500 will fully expend all funds in account 15915 – Donations to outside bodies.

RECOMMENDATION MCS
